

# PALAU

## Open Water Weekend

*Hosted by Palau Swimming Association*

*June 7-9, 2019*

Alii Swimmers and Adventure Seekers!

We welcome you to the 2019 Palau Open Water Weekend! Get ready for one of the best swimming experiences you could ever imagine. All of us here with Palau Swimming Association are excited to meet, talk story, and swim with you this summer. So again, Sulang (*“Thank you” in Palauan*) for your interest to come out to this very special and unique event.

To help you out with any expectations, how things will be run, and where and what time is what, there is plenty of information included in this booklet to serve you.

It would be an honor to have you here for the weekend, and more if you choose to make a longer trip of it. Besides our beautiful swimming and snorkeling, we have the world’s best diving, a slew of WWII history, including the famous battle site down in Peleliu, and our breathtakingly beautiful Jellyfish Lake. Beyond that Palau has several different waterfall hikes, cultural sites, and a wide variety of world cuisine (besides the obviously incredible seafood).

I hope you come out and explore our true pristine paradise with us. If you have any questions, or if there is anything that I can do to help make your trip planning any easier, get you set up with dive shops, other tours, or accommodations, please let me know at any time.

See you this summer,

Billy Brown

## Friday, June 7 - Rock Island Water Polo (Sponsored by Kap7 Water Polo)

This latest addition into the Open Water Weekend, will be a blast as we will host a couple of Water Polo games out at “Pinchers” which is a semi-closed and protected bay in the Rock Islands. Don’t worry, we will have some games for all levels, so everyone gets to get in on the action. With surrounding natural beauty, and our pristine clear ocean waters to play in, this will be an event like no other!

## Saturday, June 8 - Palau Open Water Swim, hosted by Palau Pacific Resort

This race is will be our fourteenth year hosting this prestigious event! Off the shore of one of the most beautiful beaches in all of Palau, our race will be offering five different distance options for all levels of swimmers. The shortest race offered is a 250m race that goes down and back along the sandy shoreline in shallow water. The next distances up are the 500m and 1500m, which will be swum in a square shaped (500m) course. As far as the 3k and 5k events go, we have the swimmers head off towards the isolated “One Tree Island”. The 5k swims out and around the island then returns back to the beach, while the 3k does the

same, but turning back right before the island. The race will have a “Beach finish” which will lead approximately 15 meters up the finish chute. Awards will be given for the top 3 finishers in each age group and distance. On top of the light breakfast buffet, each swimmer will receive a commemorative event shirt.

### *Sunday, June 9 - Rock Island Adventure Swims*

This “One of a kind” swim, will take us into a UNESCO World Heritage Site where we will have two picturesque “adventure” swims. Neither one of the swims is considered a race, and the swimmers are encouraged to simply enjoy the view as we swim the best locations in the pristine Rock Islands together.

The morning swim is roughly a 3-4k and is scheduled to swim down the coral reef and wall of the most pristine dive site in Palau. Over the years we have seen numerous (and nice) reef sharks, turtles, eagle rays, and every color of fish imaginable at this spectacular location. The second swim is scheduled to weave in and around our beautiful Rock Islands, and finish by swimming through a rare opening in a Rock Island that is known as “Soft Coral Arch” (which is surrounded by unique feather and fan coral), that leads to the most picturesque finish imaginable.

In between the two swims, we will boat off to another remote island where we will have a BBQ lunch with an abundance of local foods and refreshments, as well as time to enjoy a shady spot under a tree and enjoy the view. A special commemorative gift will also be given at the end to each swimmer who participates in the entire weekend.

## **Event Timeline**

### Friday, June 7 (Rock Island Water Polo/Open Water Pre-Race Events)

8:30am – Meet at dock

9:00am-3:00pm – Rock Island Water Polo

If you want this, please specify when you register.*
- *Or* **\$75** for the PPR Open Water Race (Saturday only)

### **Things to consider about Palau:**

- Passports are ***mandatory*** for entry into Palau, although Visas are not needed.
- Palau has a daily flight that comes in from Guam (United Airlines), as well as three times a week from Taipei (China Airlines), and two flights a week from Seoul (Korean Airlines and Asiana Airlines), and Manila (United Airlines).
- Palau is a very warm climate. When packing think about bringing light, breathable clothes, as well as other sun blocking type clothing.

- Palau uses the U.S. dollar, and most businesses take Master Card and Visa. Unfortunately, AMEX and Discover are rarely taken out here. We do have a Bank of Hawaii, a Bank of Guam, and Bank Pacific here in Koror.
- Since we will be on and around the water all weekend, you will probably want to make sure that your camera is waterproof or at least have a good case. If you do have a “dry bag”, you will want to bring it. The boats are not well protected from the elements, so the locals bring their stuff in dry bags when going out on the boat. A light rain jacket comes in handy at times as we have passing island showers.
- We use the U.S. style of power outlets.
- The area code is 680. SIM cards are available to buy pretty cheap. Internet access in Palau is sold at most stores/restaurants with an easy access code card. The price for access is \$1.00/hr. Our internet/cable company PNCC, also sells Data plans/cards as we have now have 4G in Palau, Woohoo!

# **Hotel Options:**

## **Palau Pacific Resort**

(680) 488 2600

[www.palauppr.com](http://www.palauppr.com)
